SNOWY DAYS

As we think back to winter
We remember the snow
Instead of melting away
The piles seemed to grow!
The blizzards came and the weather was bad,
Early releases made everyone glad.
When storms made the roads
Too dangerous to drive on,
Kids and parents found
Things to survive on.
There was skiing, skating,
snowball fights and sliding;
Also some shoveling and snowmobile riding.
We went back to school and
The snow was still deep,
But soon all the icicles
Started to weep.
Temperatures rose for a while each day
And soon, all the snow
Just melted away ...
